PROFILE

Frontend Developer with hands-on experience building responsive web applications using React.js, Next.js, and TypeScript. Skilled in HTML, CSS, and JavaScript with a strong focus on clean UI, performance, and responsive design. Experienced with Shopify theme development and integrating APIs. Comfortable working with Tailwind CSS, Material UI, Git, and modern deployment tools like Vercel. Quick learner, problem solver, and focused on writing production-ready code with attention to detail.

Resolved 50+ frontend and integration bugs to improve store performance and stability

JOB EXPERIENCE

NODE AGENCY, *Shopify, React JS, Javascript Developer*

05/2024 – Present
Islamabad, Pakistan

- Built advanced websites using React.js, JavaScript, and Tailwind CSS
- Used custom hooks, context API, and dynamic routing for scalable architecture
- Built high-performance Shopify stores using React JS and Shopify's framework
- Converted Figma designs into advanced, production-ready Shopify stores with custom functionality
- Created custom React hooks for Shopify Cart API integration

UPTEK, *Frontend Developer, Shopify, React JS*

10/2022 – 01/2024
Islamabad, Pakistan

- Built custom Shopify themes from scratch using Liquid, JavaScript and Tailwind CSS
- Made stores load faster (under 2 seconds) and work perfectly on all devices
- Added payment systems like Stripe and PayPal using Shopify APIs
- Turned Figma designs into real Shopify stores with pixel-perfect accuracy
- Improved Google rankings by fixing SEO for all store pages
